You will need:

- Blue and purple rice (see our Rainbow Rice tutorial on our website)
- Green feathers, witches fingers, pumpkin, frog, cat and dog.
- Scoops, spoons, cups and vessels
- tray

Simply prepare your blue and purple Rainbow Rice following the tutorial on our website. Once the 2 colours of rice have been made and dried, mix them together to look like a witches brew. Tip the rice into a tray and place in the "Room On The Broom" inspired objects together with spoons, scoops, cup and vessels for your little one to explore.

TOP TIP

Why not keep the colours separate for your little one to mix up
