What you will need:

- paper plate
- brown paper
- orange paper
- googly eyes
- clothes peg
- pom pom
- glue stick
- orange, brown, red & yellow paint

Cut the shape of a turkey head from the brown paper, and a small triangle from the orange paper for the beak. Then use clothes peg and the pom pom as a stamp. Use the stamp to splodge the paint all over the paper plate. Then use the glue to stick the brown paper turkey head onto the plate, stick on the orange triangle for the beak and googly eyes. Happy Thanksgiving!

TOP TIP
